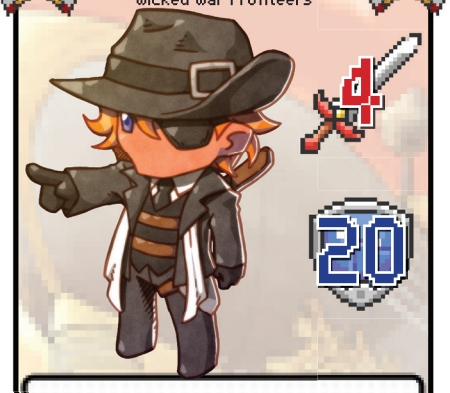
Elgala Richiese

Power At Any Cost

At the start of each wave put a Magic Counter on to this Leader. When you recruit a Hero you may move up to 3 Magic Counters from this Leader to that card. Heroes have +1 Life and +1 Attack Strength for each Magic Counter on them.

Gerard Matranga

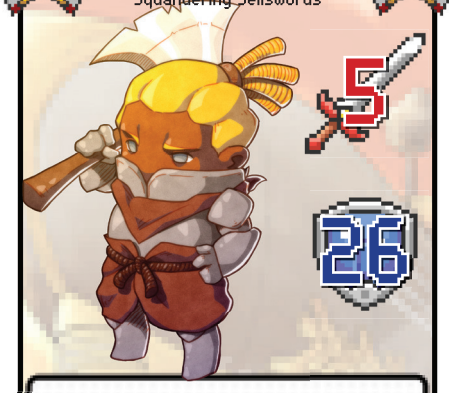
Wicked War Profiteers



You can attack with any hero in your unit, regardless of the current wave. Each of your heroes can only attack once per round. You can attack during the round 1 ceasefire.

Ven Cresshim

Squandering Sellswords



When a hero or leader in this unit takes damage from an attack, you may discard a card to reduce that damage by an amount equal to the life of the discarded hero (down to a minimum of 0).
