Titan Forge is a business entity registered in Poland.
VAT reference number: PL8512903525
Company registration ID: 321132026

The STL files provided by Titan Forge are for personal use only!

We advise reading the full terms below.

This is the legal agreement between you and Titan Forge for the use of STL files. By purchasing, downloading, accessing or using our STL files, you agree to the terms below on behalf of yourself or any entity you represent. If you do not agree with all the provisions of these terms of use, do not purchase, download, access or use the STL files provided by Titan Forge.

1. Titan Forge is the owner of the STL files. The STL files are a copyrighted work belonging to Titan Forge.
2. Titan Forge grants you a non-transferable, non-exclusive license to use the files.
3. The license allows you to print the STL files for personal, non-commercial use only.
4. You may not sell, share, distribute, rent or transfer the STL files or the materials that you manufacture.
5. You may not modify, duplicate, create derivative works of, disassemble, reverse compile or reverse engineer any part of the STL files. No part may be copied, reproduced, distributed, republished, or displayed.
6. Titan Forge has no liability whatsoever for any data loss or corruption or any damaged caused to systems, 3D printers, data storage devices, computers or health caused by the STL files. The users agrees that it has sole responsibility for protecting its data, system and health during the use of the STL files.
7. Titan Forge has no obligation to provide support or guidance regarding the use of the STL files. Titan Forge does not guarantee that their files will be optimized for every software system and 3D printer.
8. Titan Forge and its brand, associated logos, images, photos, digital content, files, 3D designs, concept arts, videos, written content, audio, banners, posters, product designs, franchises, games, miniatures, products, packaging, code, software or any future media or formats created by Titan Forge or any of its employees are the copyright of Titan Forge.
9. Any theft, redistribution, resale, imitation, licensing, leasing, or claimed ownership of Titan Forge's copyrighted brand and materials will be considered a breach of this contract, an infringement of copyright law, and dealt with accordingly in keeping with Polish Copyright and Related Rights Act 1994.
