Game Masters Soundpack: Horror #2: EVP

EVP: Electronic Voice Phenomena. These mysterious recordings are believed by some to represent the voices of the dead. The earliest examples of EVP were recorded by Attila von Szalay in 1956, and there have been thousands since.

Now Toxic Bag introduces a collection of creepy EVP phrases for you to use in your modern horror game. Are they the voices of departed colleagues? Dire warnings from the other side? Angry spirits lashing out against intruders to their haunted home? Could they be demons, or some eldritch horror attempting to communicate from beyond some dimensional veil? Or is it a hoax, a fraudulent attempt to drive off competing real estate investors? It is left to you, the Game Master, to determine.

Horror# 2: EVP includes 39 different phrases.

Phrases include:

- *"Cast Into Hell..."*
- *"Find the Key..."*
- *"Follow the Rules..."*
- *"Help me..."*
- *"Let me out..."*
- *"Murder..."*
- *"Prepare for Death..."*
- *"There are Many..."*
- *"This is my House..."*
- *"Unclean Spirit..."*
