GAME MASTERS SOUNDPACK: SCI-FI: FUTURE ADS

In whatever far-flung future your players may inhabit, there's one thing they're sure to encounter: Advertising. Whether you're looking for background flavor sounds, or want to construct some narrative based on an ad (is there a hidden message encoded within the Protean Protein commercial?*), these futuristic commercials will put extra sparkle into your game nights and give your adventures a fresh, clean feeling! Now how much would you pay? But wait, there's more...

Ads include:

Colony Ad (3 versions)
Sabertronics
Kepler Collectible Coin
Razgon Recollection
Rocket Pod Race
Planetary Defense Corps: Find Your Victory/The True Enemy
Protean Protein
DeLeo-Kaga SuspendLife™: Comfort You Don't Notice

* The Galactic Communications Commission has banned subliminal, encoded or otherwise implanted messages in advertising.
